**LOCAL PRODUCER AND FARMERS MARKETS
IN SEDBERGH 2007**

A new producer's market will be starting in Sedbergh, in Joss Lane car park, in 2007. Markets will be held on the second Wednesday of each month from April up to and including October.

There will also be 2 special Saturday markets in May and August.

- We have produced 10,000 leaflets, as included, to advertise the market which will also be listed by Made in Cumbria and the Yorkshire Dales.
- With help from DEFRA, we have purchased 10 instant pop-up market stalls each with one 2 metre table. These will be available to rent for each market. Joss Lane car park does not offer any possibility of electrical hook-up at this time, so any refrigeration required would have to be powered by the seller's generator. Pitches without stalls may also be reserved if you have your own equipment.
- Fees will be comparable to other markets at approximately £20 per day stall and pitch. However we cannot confirm the exact fee at this time. There will be a discount of 10% for anyone booking 3 markets together e.g. April/May/June. Or a discount of 15% for anyone booking the whole season of Wednesday markets. Saturday markets must be booked separately.

Please fill in and return the enclosed form to provisionally book your space and/or stall.

Please note priority will be in strict date order of the receipt of provisional bookings.

(SCofT reserves the right to decline a booking if too many of the same type of producers wish to book, e.g. 10 meat producers would be too many.) Food and craft producers are welcome.

On market days the Sedbergh Community Office will act as the market office for enquiries, complaints and future bookings. The office is situated at the right top corner of the market place (Joss Lane). Sedbergh Community Office, 72 Main Street, Sedbergh LA10 5AD
